Please anticipate longer wait times for on demand languages of limited diffusion*, and even longer waits for languages of very limited diffusion**. It is best to schedule these languages in advance: coordinator@voicesforhealth.com

Languages listed may belong to a language family and all languages, dialects or spellings may not be listed. This list is subject to change, as we continue to add language teams.

Use our mobile app on Apple or Android devices for easy access. Billing starts upon interpreter connection. If all video interpreters for a language are busy, an audio-only interpreter will connect initially, with the call transitioning to video once available.
